July 31, 1997

Mr. John Gibson
Assistant Staff Director
Federal Election Commission

Dear Mr. Gibson:

Enclosed with this letter is an amendment to the January 31 Year End Report of Receipts and Disbursements for the Faleomavaega for Congress Committee. The report covers the period November 26 through December 31, 1996. This amendment is being filed because new information was brought to light while preparing a report for a later period and contains changes concerning two transactions.

First, it was discovered during reconciliation of one of the Committee's checking accounts that the Committee made a \$200.00 disbursement on December 31, 1996, which had not previously been accounted for or reported. To reflect this disbursement, the amount of operating expenditures on line 17 was increased by \$200.00 and the amount of cash on hand on line 27 was decreased by \$200.00. The disbursement is itemized on a Schedule B for that line.

The second transaction involves a bank loan made by the Amerika Samoa Bank to the candidate. The loan was reported on Schedule C, but the payment made by the candidate to the bank was not. The payment is reported on Schedules A, B, and C in accordance with a convention discussed in another letter of this date. The total amount of the payment was \$900.00, with \$810.63 going to principal and the balance to interest.

Sincerely,

ENI F.H. FALEOMAVAEGA
Treasurer
